

OLH toy drive

The Our Lady of the Hills Regional Catholic Church National Honor Society sponsored a toy drive during November to benefit the Raphael Community Free Clinic. The clinic's mission is to minister in a caring and Christian environment to the medically underserved of Kerrville and the surrounding areas. On Nov. 24, NHS students delivered more than 100 toys to the clinic. From left are students Beth Gregory, Bekah Itz, Savannah Cooper and Brianna Stofas giving the toys to the director of the clinic, Ken Zyko.
