Kerr-Konnect Mission

Kerr-Konnect transit system will connect the Kerrville area community by providing safe and reliable transportation to help maintain independence and enhance quality of life.

Lack of safe, affordable transportation for seniors is a problem recognized at the national, state, and local levels. Here in Kerr County, 27% of the population is over the age of 65. For a portion of this population as well as others who have no means of travel, access to transportation is a frequent concern. Compared with those who still drive, older non-drivers make 15% fewer visits to the doctor, 59% fewer outings to shopping and restaurants, and 65% fewer trips to social, family, and religious activities (American Public Transportation Association).

WANT TO HELP? Consider Being A Driver

As a driver, your goal is to safely pick up and transport riders to their appointments, or other errands and return them to their homes.

Drivers must be at least 21 years of age, pass a background check, hold a valid driver's license, auto insurance and have a safe driving record. A written application and driver training program must be completed. Drivers are asked to participate for a minimum of four hours per month. Drivers access and schedule their rides through use of a Ride software program on the internet.

Kerr-Konnect provides excess auto liability insurance & general liability insurance for all drivers.

Call the Kerr-Konnect office or go to our web site for more information and application forms.

Providing just ONE ride a month can change a life.
